SENKO opened Aomori Logistics Center in Goshogawara City in 2017 to support the logistics operations of Marudai Sakurai Pharmacy Limited (Head office, Aomori City; President, Hisashi Kon), a subsidiary of Welcia Holdings Co., Ltd. (Head office, Chiyoda-ku Tokyo; President, Tadahisa Matsumoto) that operates Happy Drug drug stores mainly located around Aomori Prefecture.

Marudai Sakurai Pharmacy is opening stores, and with the increase in cargo volume, the logistics center has been expanded and relocated to within Aomori City. The new center is located a close 5 km from Namioka IC on the Tohoku Expressway and 16 km from the Aomori City area, with further increases in delivery efficiency anticipated.

SENKO is aiming to expand its business within Aomori Prefecture by responding to the logistics needs and growing business scale of its customers.
