

## General Wholesale and Retail Business "Terauchi" Joins SENKO Group

### Expanding businesses that support peoples' daily lives

SENKO Group Holdings Co., Ltd. (Head office: Koto-ku, Tokyo; President: Yasuhisa Fukuda; "SENKO GHD") acquired all stocks of general wholesale and retail business "Terauchi Co., Ltd." (Head office: Chuo-ku, Osaka; President: Yoshihiro Suenaga; "Terauchi"), incorporating the company into the SENKO Group on November 30, 2020.

Terauchi is a long-established membership-based wholesale and retail business with more than one million members, and has transactions with some 1,500 major supplier manufacturers. With four commercial buildings in "Fanbi Town" located in Chuo-ku in Osaka and one building in Hakata, Fukuoka, the company sells a broad range of products that mainly include clothing and accessories, brand-name products, apparel, everyday goods, general accessories and cosmetics. It also operates 25 other stores including its "CROISSANT" lifestyle goods brand, as well as sales via its online store.

Bringing Terauchi on as a group company will allow SENKO GHD to provide services under its Living Support Business such as nursing homes, nursing care and daycare centers to Terauchi members, and also provide SENKO Group employees and customers access to Terauchi's wide range of products in order to create a diverse synergy. Terauchi will be able to harness the logistics know-how of the SENKO Group to streamline business and roll out new services.

As the SENKO Group's corporate philosophy is being a "corporate group that supports people in their daily lives," it is boosting sales functions for consumers and aiming to strengthen and expand the scope of the group's businesses.
