Large windows for an open feel to the interior

Spacious playground

SENKO Group Holdings Co., Ltd. (Head office: Koto-ku, Tokyo; President: Yasuhisa Fukuda; "SENKO Group") affiliated company Procare Co., Ltd. (Head office: Shinjuku-ku, Tokyo; President: Toshiko Akiyama; "Procare") that operates daycare and children's clubs mainly in Tokyo will open the private certified daycare "Chilec Hatsuishi daycare ("the daycare")" in Nagareyama City, Chiba Prefecture on April 1.

The daycare was opened within the SENKO Group-owned "Crefeel Nagareyama" ("the center") training facility located a 5-minute walk from "Hatsuishi Station" on the Tobu Urban Park Line. Procare joined the group in August last year, and its childcare know-how was utilized as a collaborative effort with the group to open the first such daycare facility. A spacious playground and terrace are available to provide children with safe and comfortable environment, with positions for up to 78 children aged from 0 to 6 years old.

The center began operating partially from April 2020, and with accommodation facilities now available is used as the group's own training facility. Training facilities will be expanded in the future, and plans are also in place to provide a range of services to residents of the local community.

The SENKO Group will continue supporting the lifestyle of people, by alleviating issues related to local children waiting to be admitted to daycare.
