

New Runtec Meiko Branch Opened in February 2021

Runtec Corporation opens the Meiko Branch in the Nagoya Logistics Center of Maruha Nichiro Logistics, Inc., located in Minato Ward, Nagoya City in Aichi Prefecture, to operate as a new hub in the Chubu region.

A completion ceremony was held on February 5, 2021, with operations planned to start from March 1, 2021.

The Meiko Branch is located approximately one kilometer from the "Meiko-chuo IC" on the Isewangan Expressway and providing convenient access as a delivery center for the Chubu region.

Cooling facilities are designed to be environmentally friendly with the use of natural refrigerant (ammonia CO2).

Collection and delivery areas were reorganized with the opening of the new branch, with core operations involving the collection of fresh produce to be delivered throughout Mie Prefecture and eleven municipalities in Aichi Prefecture.
